

RESOLUTION NO. 321

RESOLUTION OF THE TOWN OF STEVENSVILLE ADOPTING BUDGET BILLING AS A BILLING OPTION FOR WATER AND SEWER UTILITIES.

WHEREAS, the Stevensville Town Council on August 23, 2010 adopted Resolution # 258 setting the water rates for all users;

WHEREAS, the Stevensville Town Council on August 23, 2010 adopted Resolution # 256 setting the sewer rates and quarterly billing cycle;

WHEREAS, during public hearings the public requested the option of budget billing be explored and if feasible adopted;

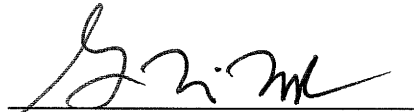

WHEREAS, the Town of Stevensville engaged Black Mountain Software to provide budget billing software to the Town;

WHEREAS, Black Mountain Software has completed the software program and the Town has compiled 1 year worth of billing data for eligible users.

NOW THEREFOR BE IT RESOLVED, the Stevensville Town Council recommends and adopts the "pay-up method", 11 equal payments with the 12th payment being the overpaid (refunded) or underpaid (pay-up) for those participating in the budget billing option.

Adopted this 12th day of September, 2013.
