Fiscal year 2003-2004

WHEREAS, pursuant to Municipal Budget Law contained in Title 7, Chapter 6 of the MCA, the Stevensville Budget is to be amended as stated in the codes to address the following:

The Town of Stevensville has received an additional \$166,266 in unanticipated grant revenues from the FAA. We shall increase our revenue budget by this amount in the 5610 Airport Fund, in the revenue account #331129—FAA. The account to be increased is #331129. Authorization approved is to move \$93,000.00 in budget from account 430300-930 to 430300-950.

The Town of Stevensville has received an additional \$39,717.00 in the 1000 General Fund in unanticipated grant monies from FEMA for the fire department in the revenue account #33113 which will be increased in this amount.

The Fire Department will be receiving a VFA grant from the DNRC in the amount of \$1538.00. The town will contribute 10% toward the completion of this grant and will pay the 90% as well in this fiscal year. The town will then get reimbursed for the 90% but that amount will not arrive until the next fiscal year. The line item of 420400-940 will be increased by \$1692 due to the anticipated monies from DNRC and \$153.80 from the Town of Stevensville.

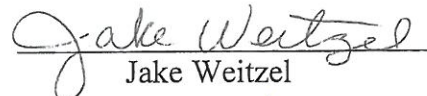

The line item for elections within the town's general budget is over by the amount of \$3.00 and shall be amended accordingly.
