# COMMUNITY ADVISORY NOTICE

## Energy Re-Conductor Project

Area: West of Main Street to Church St.  
Second Street to Middle Burnt Fork Rd.

April 10, 2019

---

### Energy Re-Conductor Project Commences

Beginning On/About April 8, 2019

Cleanup On/About May 2, 2019

## STREET CLOSURES AND DRIVEWAY ACCESS RESTRICTIONS ARE IN EFFECT

Beginning on/about Monday, April 8, 2019 NorthWestern Energy will commence the replacement of power conductors through the Main Street corridor. Work will include the replacement of utility poles and the replacement of lines.

Re-conductor work will take place in the alley between **Main Street and Church Street** between **4/8/2019 and 4/17/2019**. Then, crews will move **south down the alley and onto Main Street** between **4/18/2019 and 5/2/2019**.

Alley closures will take place throughout the project. The following street closures are planned to accommodate the project and ensure public safety:

*East 2<sup>nd</sup> Street, East 3<sup>rd</sup> Street, East 4<sup>th</sup> Street and East 5<sup>th</sup> Street from Main Street to Church Street will be **CLOSED 4/16 & 4/17**.*

*East 6<sup>th</sup> Street from Main Street to Church Street and Middle Burnt Fork Road from Main Street to College Street will be **CLOSED 4/30 & 5/1**.*

### **NO ALLEY ACCESS WILL BE ALLOWED DURING THESE CLOSURES.**

Citizens should expect minor traffic delays in the project areas as some streets will be limited to one lane traffic intermittently.
