Agenda Item : Public Comments (Public comment from citizens on items that are not on the agenda)

Comment: Who gets to decide what allegations are supported or not supported ? It appears to this observer that the rules are designed to protect the mayor and council members from having to listen to criticism or contrary views. Kinda third world country suppression of free speech in my opinion. It does not surprise me as there have been quite a few examples of this of late. So now, are my comments to be deleted ?
